- Who built Rani Mahal ? and When ?
- Where are the sitting rooms ?
- What importance does the kaligandaki River have ?

2. Read the following Poem and write true or False of the following statements.-5

Bright and Beautiful

All things bright and beautiful,
All creatures great and small,
All things wish and wonderful,
The creator God made them all.

Each little flower that opens,
Each little bird that sings,
He made their shining colours,
He made their tiny wings.

The rich man in his castle,
The poor man at his gate,
God made them high and lowly,
And fixed all men's fate.

'He' gave us eyes to see them,
And lips that we might tell,
How great is the God, I know,
Who has made all things well.

- Cecil Frances Alexander

- All creatures are bright and beautiful . ()
- The little bird's wings are small. ()
- The poor man lives in a gate. ()
- God gave us ears to see . ()
- God has made all the things well. ()

3. Read the following text and complete the sentences with words or phrases. -5

THANK YOU VERY MUCH

Set-A
Basic Education Examination-2082
Chaubise Rural Municipality,Dhankuta
COMPULSORY ENGLISH
Reading and Writing
(Written Test)

Grade:5. Time: 2 hours.

F.M:50

Candidates are required to give their answer according to the given instructions.

1.Read the following poem and do the activity that follow:

My Phone

My phone's has tones of gadgets,
A hundred - fifty rings,
Can store a thousand numbers
And other nifty things.

My Phone can send me e- mail
And news from far away,
Predict tomorrow's weather,
And tell the time of day.
My Phone can download music,

Take photos in a flash,
Make videos and movies,
And really make a splash.

I heard that in the old days
(I'm not sure what this means)
That people used their phones to talk
To other human beings.

-Neal Levin

A.Match the words in Column 'A' with their rhyming words in Column'B'. 5

Column 'A'

- a)rings
- b)away
- c)flash
- d)means
- e)take

Column 'B'

- i.beings
- ii.splash
- iii.make
- iv.things
- v.day

2.Read the following text and answer the following questions.5

Rani Mahal

The Rani Mahal is located on the bank of the Kaligandaki River in Palpal district of Nepal.Rani Mahal means" queen's palace".It was built by General Khadga Shamsher in 1893.It took about four years to complete this beautiful palace.

This four - storey palace has a dozen of rooms;guest room, a kitchen, etc.The prayer room is situated at the eastern front of the palace.There are sitting room on the top floor, while there are bed rooms on the middle floor. The palace is surrounded by gardens and a pond. The stairs that start from the palace gate go all the way down to the kaligandaki River. The river also possesses

religious importance.

- a. Where is the Rani Mahal located?
- b. Who built the Rani Mahal?
- c. What does Rani Mahal mean?
- d. How long did it take to complete this beautiful palace?
- e. What things are there around the palace?

3 Read the following text and do the activity that follow

Raju and the Lost Puppy

Raju was walking home from school when he saw a small puppy crying near a tree. The puppy looked hungry and scared.

Raju took the puppy home and gave him some milk and food. He cleaned the puppy and made a comfortable place for him to sleep.

The next day, Raju asked his neighbours if anyone had lost a puppy. An old woman said, "yes, this is my puppy. Thank you for taking care of him."

Raju felt happy because he helped the puppy and returned him to his owner.

Moral: Helping others is always a good deed.

A. Write (T) for true and (F) for false statements. 5

- a. Raju found a puppy near a tree. ()
- b. The puppy was healthy and did not need food. ()
- c. Raju gave milk and food to the puppy. ()
- d. Raju kept the puppy without asking anyone. ()
- e. The moral of the story is that helping others is good. ()

4. Read the following letter and do the activities that follow:

Dhankuta

10 February 2026

Dear Raj,

I hope you are fine. I am also fine here. I am writing this letter to tell you about my school.

My school is very beautiful and clean. There are many classrooms and a big playground. Our teachers are kind and helpful. We study many subjects like English, maths, science and social studies. I like English the most because I enjoy reading stories and writing letters.

Every morning we have an assembly. We pray and sing the national anthem. After school, I play football with my friends. I am very happy in my school.

Please write back and tell me about your school.

Yours loving
Geeta

A.From the above text, find the words that have the opposite meanings of the following words.5

a)small=

b) sad =

c)dirty =

d)dislike =.

e)evening=

B.Choose the best answer.5

1.Where does Geeta study?

a)in a village b)in her school

c) in a park d) at home

2.Which subject does Geeta like the most?

a)Maths. b)Science

c)English d) Social Studies

3.What do students do in the morning assembly?

a)play football b)eat food

c) pray and sing. d)read books

4.Who are kind and helpful?

a)friends b)teachers

d)students e)parents

5.What does Geeta do after school?

a)studies b) sleeps

c)plays football d)writes letters

5.Punctuate the following text.5

my fathers name is hari limbu

**6.Complete the following story by choosing the best word given below.5
(happy/garden/weeds/plants/tall)**

Tom has a small.....at home.Everyday,he waters the.....and removes the His hard work helps the plants grow.....and healthy.Tom feels....when he sees his garden bloom.

7. write a short paragraph about 'Cow' . 5

8.Write an application to your Headteacher / Principal asking for a day sick leave. 5

9.Choose the correct answer from the brackets to complete the sentences.5

a .Can you come.....Sunday?(on/in/at)

b .Raj wants to be.....engineer.(a/an/the)

c.The Nile is the.....river in the world.(long/longer/longest)

d.Nimesh..... tennis.(play/plays/is play)

d.....is your favourite teacher?(What/When/Who)

“THE END”

1. Read the following poem and do the activities that follow: -5**Autumn Fires**

In the other gardens
And all up in the vale,
From the autumn bonfires
See the smoke trail!
Pleasant summer over,
And all the summer flowers,
The red fire blazes,
The grey smoke towers.
Sing a song of seasons!
Something bright in all!
Flowers in the summer,
Fires in the fall!

A. Match the words in Column 'A' with their meanings Column 'B'

Column 'A'**Column 'B'**

- | | |
|--------------|---------------------------------------|
| i. Vale | a. giving out much light |
| ii. Bonfire | b. nice |
| iii. Trail | c. valley |
| iv. Pleasant | d. a long thin line stretching behind |
| v. bright | e. large fire outside for celebrating |

2. Read the following text and do the activities that follow:-5**From Pole to Pole**

Antarctica and the Arctic region are the coldest areas of our planet. They have been the destinations for many scientific studies. Antarctica is the coldest of seven continents. Masses of ice and snow cover most of Antarctica's land.

Antarctica lies around the South Pole. It is the most barren place on Earth. Few plants can survive in its extreme cold. Only a few types of wildlife live on the coast. There is no sunlight at all for four months at a time in Antarctica. This keeps the continent very cold. There are no cities or towns. In fact, no people live there permanently. Antarctica was discovered in 1820. Many teams of explorers visit there to learn about this interesting piece of land. The seacoast has a variety of animal life. Whales, seals, penguins, and fish are among the animals that live in the coastal water. All of these animals depend on the sea for food and shelter.

A. Write 'T' for true and 'F' for false.

- Antarctica is the coldest of all the continents. ()
- Antarctica is dark for four months at a time. ()
- There are no people living in Antarctica permanently. ()
- Antarctica was discovered in 1920. ()
- The seacoast has a variety of animal life. ()

3. Read the following text and do the activities that follow: -5

Kiran K.C. was born in 1957 in Imadol, Lalitpur. He has played in more than 115 tele-films. His best liked tele-films are Pandhara Gate, Dashain, Lalpurja, Kantipur and Raat among others. His first tele-film was 'Pandhara Gate'. It was first shown in 1985. He had a small role in it. But it was a great hit. In the past, he used to work with Maha Jodi. At present, he is busy in two tele-series. Jire Khursani and Maha Chautari. He also works for HIV/AIDS and Clean environment.

A. Rewrite the following sentences in the correct order.

- a. He is busy in two tele- serials.
- b. He had a small role in it.
- c. His first tele-film was Pandhra Gate.
- d. His best liked tele-films.
- e. He has played in more tele-films.

4. Read the following text and do the activities that follow:-

Nepal is a beautiful country. it abounds in beautiful hills and mountains. The green hills and snow clad mountains attract everybody.

There are some important hill tops around the Kathmandu valley. People go there to have nice views of other hills and mountains. From these places, one can see beautiful scenes and the sun rise. One of such places is Nagarkot hill top. It is a famous place.

Nagarkot is about 19km north east of the Bhaktapur town. A single lane road connects it with Bhaktapur. The road has many bends. It runs through the fields and the patches of woods. We can drive up to the top of the hill in about an hour. Driving up the hill is exciting. The cool air and green view are really refreshing.

There are some nice places which can be very good picnic spots. For this some basic requirements have to be fulfilled. Pure drinking water is the most important one. There should be sunshades and places to prepare food and rest. The spot should be well guarded.

A. Fill in the blanks by using the suitable words from the passage: .1×4= 4

- a. Nepal is a beautiful
- b. The green hills andclad mountains.
- c. Nagarkot is anouteast of the Bhaktapur town.
- d. water is the most important one.

B. Read the story and answer the following questions.-1.5×4= 6

- a. Where is Nagarkot?
- b. What is exciting?
- c. Why do people go to hill tops?
